“ Dick and I worked together on 3 companies over a span of 15 years. He was a professional with great business instincts and was a good judge of character. Dick's input and guidance will be missed. My condolences to Cindy and the Morrison family.##imported-begin##Jeff Wood##imported-end##

“ Cindy and Family: I worked with Dick for over 15 years while at Hammond Kennedy Whitney & Co. and we did many deals together. I always respected his style and his honesty about our deals. I will always remember our trip from Pawley's Island to the 2004 Masters--Cindy in the passenger seat and Dick with one hand on his blackberry and the other on a cigar. Somehow we made it and had fun along the way. He was a great teammate and we will miss him terribly. We pray for you all while you grieve. God bless, Glenn Scolnik##imported-begin##Glenn Scolnik##imported-end##

“ Cindy and family, I have known Dick for over 15 years. Our paths crossed while I was in private practice as an M&A lawyer serving Hammond Kennedy Whitney as a client and Dick was at Babson Capital. Our work on deals continued when I joined Hammond Kennedy Whitney in 2000. He was always wonderful to work with on transactions and our HKW portfolio companies appreciated his opinions on their boards, and his humor. He had such a calming way about him, and always a bottom line kind of guy. It was my pleasure to know him. Wishing you all many blessings. I'm glad we had a chance to share some sun together at Myrtle Beach as well. Please know you are in my thoughts and prayers.##imported-begin##Mary Galiatsos##imported-end##
