“ Dear Lisa, Susie, Richard and Family, I am so sorry for your loss. I pray you will find some comfort during this difficult time. Dick "Mr. Murray" and your whole family has a very special place in my heart! Most of my childhood memories include you all. Mr. Murray was always cheerful and accommodating, whistling while he worked at the wood bench... taking me and Lisa for ice cream on a whim. I will forever cherish the term of endearment "Mooch"! May God Bless you. With all my love, Jeana##imported-begin##Jeana Rasmussen Kovac##imported-end##

“ Our deepest condolences to Susie and the whole Murray family. I knew Dick originally as a Chief in the Air Force at Myrtle Beach AFB, where we both served in the 354th TFW. Later, he became my daughter's Father-in-Law. His this role as Granddad he excelled, especially taking care of our first Grandchild, Aly, when they lived in MB. May Dick Rest in Peace. We will remember Dick and all the Murray family in our thoughts and prayers.##imported-begin##Phil & Connie McAtee##imported-end##

“ *Where to begin? Quite simply, it was because of Dick that I was able to fulfill my dream and become a teacher. He and Susie took care of Aly and allowed me to attend school and work at the same time. I will never forget this and will be eternally grateful. I still remember him making paper bag puppets with his granddaughter and being amazed at how good he was with little kids--that and his mad skills with the crosswords! Rest in peace, Dick...you did well by your family and your country...Love, Trish McAtee##imported-begin##Trish McAtee##imported-end##*
