“ I have very fond memories of our school days together with you and Ricky. He was always smiling and you, Frances, were the sweetest personality of all! Your smile was captivating and I truly understand why Ricky loved you so much, as well as you loved him. Although, we have not been in contact over the years since our school days, I share in your loss and pray you will find peace that passeth all understanding, as God tells us he can give.

In loving memory, Annette Stalvey Walthes

“ Francis & Family,

Ricky's obituary does not amplify the love and kindness that he left behind to anyone that ever greeted him. Although I didn't see Rick often over the years every time I saw him it was like we had just left each other's side. My condolences go out to all of you, know that you are blessed to have a man of that magnitude in your life time. All the people that knew him are blessed as well.
