“ Jenny and Heather, Johnny and I were shocked to learn about Ricky. Jenny, we so enjoyed our recent conversation with you and Ricky at McDonalds when I learned for the first time about the seriousness of Ricky's heart condition. But praise be to God, I will always remember his confidence in God and saying "every day is a blessing, and when it's my time, I'm ready." And Easter Sunday, what a time to go! I know the separation is going to be difficult for you all, but rest on the promise that as God's children, there will be a reunion day coming. We will continue to remember you in our prayers and praying for your health, Jenny, as well.

“ Jenny and Family,
I just discovered today that Ricky had passed away. I called June right away to advise her and we both are shocked and sad. We always have enjoyed what little time we got to spend together when we did get to visit. For me when I would walk up and see Ricky for the first time in a long time we both would just smile from ear to ear being glad to see each other and enjoy our time together. He was one of my favorite people in this world and I would always get a smile just thinking of him. Even though I did not see him a lot as stated I will miss him. June and I are thinking of all of you and wish you the very best.
Love to all,
June & Doug Sallee & Family-Raleigh,NC.
