“ To my life long buddy. Lived near you in McColl, S.C. for all our young life.

Played all the high school sports together, roomed together at Western Carolina.

Played football at Western. Went into the Army where we both met our future wives.

We continued our contacts- whether at the "yearly" high school reunions or wherever we decided.

Celebrated birthdays together- yours Feb. 24, mine the 25th.

In these last years, you inspired us all with your attitude and courage.

“ Uncle Rich,

I'm never sure what to say in these situations, other to say that I know my life was truly blessed to have you in it. My only regret is that you were not able to meet my children as I'm sure that they would have come to love you as much as I did. You will be remembered for your quiet nature and your good humor. I hope and pray, as I have before, that this is not goodbye, but with God's grace, it's until we meet again. Thank you for being apart of my life and for many wonderful memories.

Until we meet again,

“ *Rich - My Best Friend*

We will continue to miss you for the rest of our days. Memories go back to 1960, when I first met you @ Dick's Wedding. We had a lot in common and became instant friends.

We were ex soldiers, you in Hawaii and me in Alaska. Football was our game. We celebrated every New Year for 44 years (we missed 2). One year, you were so proud of Rodney playing in the Clemson bowl game. We did a lot together-remember our first New Year? We celebrated till sunlight, watching the New Year come in across the country. We planted sod together @ Doug's, we played golf, we laughed, we talked for hours, we solved a lot of the world's problems. we understood either other. We did so many things together. Woderful memories. Until we meet again, May God protect you with his love.

*Good Bye my Friend
