“ Just heard from Marjorie's daughter. Laura, about Dickie's, my cousins, passing. Want to share my sympathy with the family and a few memories since my mom Evelyn Maxwell Gilleland was the half sister of her father Uncle Dick and mother Aunt Evelyn Edwards. I remember fondly my time with Dickie and her T-Model, yes the same Rambliin' Wreck from Ga Tech complete with rumble seat. Also our time at 57 Washington Street. Will really miss those times. Roy Gilleland "Gilly".

“ Why the long face? Because we are sad. This crazy wonderful woman shared her gifts of love and humor on her face, in her purse that carried even the kitchen sink, and funny stories of golf, carving, boating, camping, family and friends. Angels, beware, she is going to tickle some funny bones 💔

Miss Dee we have only know you for the past 2 1/2 years as your next door neighbor but in this time we have learned to love and respect you. I will help willie and Titan continueto play in our backyards. It's going to be hard to look outback and not see you working. I am truly going to miss our talks and how much we laughed. We made a promise to help each other to help each other get better. God had his plain and he took you to a place without any more suffering. I will miss you please RIP my friend.💕💕💕💕💕💕
