“ *Lord knows we are going to miss you uncle Rickey so bad. We already do. I know how bad you missed grandma and it's a bit of an ease to know yall are now reunited. Does it help the pain we are enduring? No. You may not physically be here but I promise your memory lives on within each one of us. I promise to watch over the boys and always be there for anything I can help them with. I love you so much! Kiss grandma for me and yall watch over us.*
