“ Riley was the sweetest kid I've met this school year. Whenever I was nervous to chat with anyone, he was there. Whenever I wasn't doing so well, his presence provided me comfort. I'd wish I would've developed a greater friendship with him before he entered rest. He will forever be in my memory. I realize that I was more of an acquaintance to him, but that shouldn't define how I was & am impacted by him. In hopes of spreading awareness of our community's loss, I created posters on the week of the 24th, posting them up in the school. Sadly I needed to take them down, but I am hopeful they provided some effect.

*Riley is the most talented individual I have ever met. May he continue to live through us, and may he rest in peace.*
