“ Rita will be missed so deeply by those who knew and loved her. She was a wonderful, loving and caring person and I was blessed to have had an aunt like her. I have such fond memories of her from my childhood that I will carry with me always and share with my own children. She will never be forgotten. I know that she is not suffering anymore and for that I glad, but I am so very sad for those who are left behind that miss her smile and loving nature. She will always be remembered as the wonderful, loving woman that she was in life. I love and miss you Aunt Rita. Jill##imported-begin##Jill Kester Snowdon##imported-end##
