“ I cannot tell you how much Bob meant to us. He took Judy,Dan and I under his wings and taught us so much about entertaining. Some of our best memories was playing with Bob, Marshall, Al, DonDe, and the rest of the metapause playboys. Hell, I sound like George Jones talking about all of the old musician friend of our past. But I'm here to tell you, they were good friends,guys who when they said they be there, they really would be there.Friends, not too good to show and teach you what they knew. Bob, you are certainly going to be missed. "were gonna love you till we die" Carson,Judy,and Dan Lowe LOWE COUNTRY##imported-begin##Carson/Judy/Dan Lowe##imported-end##

“ *What a shock to hear about Bob. His weekly visits to our music stores were always one of laughter. He always had some good cheer, some music story many told over and over and usually a joke or two. His musicianship was incredible and his love for music was well known. He will be missed by many, especially us. Joey O'Neal, Kevin Conklin, David Wright, Glenn Taylor, and The entire staff at Sound Systems Inc.*##imported-begin##Joey O'Neal##imported-end##

“ One night I dreamed of walking along the shores of different lands. I could tell that You were with me by the footprints in the sand. As I gazed upon the heavens, I saw pages of my life. It was then I realized that You remained there by my side. When the clouds began to gather and the rains came falling down, I looked to only find one set of footprints on the ground. I said, "Lord, why did You leave me in the troubled times of life? I believed that You would always walk beside me day and night." Then I heard: "My precious child, I'd never leave you. I have carved you on the hollow of My hand. It's then I carried you in My arms, When you see one set of footprints in the sand" Dear Lord, will You be with me as I travel through the years? Will You be there in the struggles? Will You wipe away the tears? As my eyes turn toward the ocean and the shores of distant lands, I'm still thinking of the single set of footprints in the sand. I heard Him say: "My precious child, I'd never leave you. I have carved you on the hollow of My hand. It's then I carried you in My arms, When you see one set of footprints in the sand." Will I hear the angels singing, as my life comes to an end. Oh Lord, I long to see You. Will You be there once again? My eyes turn toward the heavens, along the path of foreign lands, Once more, I'm thinking of the set of footprints in the sand. Jesus said: "My precious child, I'd never leave you. See your name carved on the hollow of My hand. I'm here to carry you to your home. You will see one set of footprints in the sand.
