“ Pam and family - I am so sorry about your loss. I considered you and Bob very close friends. Once, while we were in Florida for the DMA conference you both were there for me when I sprained my ankle and I will never forget how you both cared that I was OK. Even going out to find crutches. We had many laughs throughout the years and I will always remember them fondly. Bob was liked by so many DMA friends. Bob was fulfilling his DMA dream of being the chairman and I remember all of the times that we talked about how great a job he would do. Pam, he is still going to fulfill that dream in heaven. Please know that I am praying for you, your children and for Bob moving on to another life. He will always continue to watch over you. My sincere condolences.
