“ This was my dad. It's sad when step parents don't acknowledge you even exist.

“ Robert was my first cousin but he has always been like a brother to me. We were all the time teasing each other and always enjoyed reminiscing about the good old days. Robert loved his mother and greatly mourned his loss of her back in 1978 but now he is by her side in heaven. Asellea, thank you for all the love and care you gave to Robert and we love you. We will miss him so much. Wendy, Terry and Family###imported-begin###Wendy Kurnas###imported-end##
