“ *Such a wonderful soul, we will so miss our beloved friend and neighbor!*

Bob was such a fun person, when we would ask "How are you today Bob?" he would always check his pulse before giving that reply " Well, it's still ticking...so I am good today"

Bob was just one who would always make your day brighter. We feel honored to have had the privilege to know Bob & Marilyn and their wonderful family.

With our love and deepest sympathy,
