“ Dear Bob: I love you and know you love me, too. I will miss seeing and hugging you every day. We have 9 children between us and they will miss you, too. Many of our family and friends have gone on to heaven. We were so fortunate to have lived such long lives and had so many good years together. That fact will comfort me in the years ahead. Rest in peace and know that you are loved. Sincerely,
Grace Beuchert/genny
