Sandy, this is Billy at #44 Pond View. I had no idea Bob had passed until today, February 26, when our neighbor told me about it. I have not been out much recently but I kept wondering why I never saw Bob anymore. I am so sorry, so very sorry....and feel so bad because I did not know about it. Please accept my condolences. If you need anything please let me know and I will do my best to help you out. Again, I am so sorry. And I will miss chatting with my friend out on our little neighborhood walks.
