We are so grateful Sophia came into his life to give him some happy times, and to be so comforting to him at his end. Loved to see them at church together at Saturday mass. “ Dear Sophie,

*You were a great friend to Bob and I know how much affection you had for him.*

*However, you were also an extremely comforting nurse to Bob and showed him such love and devotion during his illness. There are not a lot of people who are not in the medical field that could have done what you did for Bob.*

*Just as you were blessed to have Bob's friendship, he was so blessed to have you...*

*Rest in peace, Bob.*

*Sophie, may you feel God's sweet embrace around you as you go through the coming weeks.*

*Love your sister,*

*Kathy*
