“ Robbie is my big brother and had a heart of gold. If he thought I needed it and he had it, he always helped me. He had more talent in his pinky than I had in my whole body. My heart has a huge hole in it until I see him again in Heaven. I love him so much. Please hug Renee for me. Until we see each other again.

“ He will truly be missed. He had a beautiful voice and was talented. He such compassion for others and was always ready and willing to help. He had a special heart for the elderly and always had time to sit and just talk with them to make them feel important. Go rest high on that mountain.
Love you Gail
