“ We were so sorry to hear of your loss, my mom saw it in the paper and called me. I can relate. You and your family are in my prayers. Remember he is not gone, he has just gone on ahead. And always be open for the signs, because he is always going to be with you. I get signs from Tommy all the time and my dad has never left me in 25 years. Take care. I miss you, you were the best friend I hated to see. Remember? Mary Jo, LuLu and Mark he doesn't have a computer Gero###imported-begin##Mary Jo Gero###imported-end##

FROM Robert Byerlay. I wish to offer my much belated sympathy for the passing of Robert. A lasting record of the deeds of our namesakes (near enough) is heartening in later years. Happy Easter.
