“ I am so saddened to hear of Bobs passing, he was a dear friend for many years here on Long Island, we worked together for years and golfed every sunday at holbrook country club, Bob was a kind and caring person, he sent my daughter a birthday card with 5\$ in it every year for 16 years. I missed him dearly when he moved south and will always have amazing memories of our friendship.

*My sincere condolences to the Cassidy Family.*

“ The last of my four brothers, I will miss you and all your antics. You always loved to have a good time when we were all together, and we did all have great times. Our chain has been broken for along time now but the links are being joined again one by one. Rest in Heavenly Peace and give big hugs to everyone. Love never dies. Your baby sister Tish.
