“ Chris and I were friends for about 12 years. We played countless rounds of golf together and when I moved away in 2004 we still continued to stay in touch on a regular basis. I considered Chris to be one of my close friends and I am going to miss him dearly! No one should be taken away from us at the age of 39, but unfortunately it does happen and hopefully we can all carry on knowing that Chris touched our lives in a special way!! Chris, you will be forever missed!!!##imported-begin##Randy Hebert##imported-end##
