“ I'm sorry to hear about Bob's passing. I have nothing but fond memories of him. I always enjoyed listening him speak to about baseball and football, he was very knowledgeable about sports. I will always remember throwing the baseball around with him in Edison, NJ. That video tribute brought tears to my eyes, my deepest condolences to Karen, Kelly and Bobby Jr.... he was a special guy. Time heals all wounds but keep his spirit alive by always remembering the good and bad times. I haven't seen him in over 20yrs but he left an impression on me. Rest In Peace Bobby....hopefully you can pull some strings up there and help the Mets and Jets win the big one soon

“ Uncle Bob -- You turned me on to Peter Frampton when I was about 12...Thanks for that! I'll always remember that family road trip to Georgia when I was a kid....In that super-deluxe rented station wagon....How many times did Kelly sing "Tomorrow" on the way down???? Rest in peace, and thanks for all the Sweet Tarts!
