Tribute Wall

“ Dear Mr. and Mrs. Baker, I attended Brevard College at the same time as Robert. We were in many of the same general classes our freshman year. He had a sweet, generous spirit and made all feel welcome to the Brevard College family. I remember at our 20th reunion, we gave him the award for the least changed! The rest of us had added gray hair, or extra weight, but not Robert. He had that same quiet smile and gentle humor that we knew in 1981. We are sorry for your loss but carry Robert's spirit with us whenever we think of our years at Brevard College. May God's peace sustain you in your grief.
