“ I was terribly distressed to here of Bob's passing. We went through school together K-12and shared a lot of memories,i.e. walking to preschool with our Moms alternating the guard duties, football, the golf team, the trip to the U.N. God Speed, Bob.##imported-begin##Steve Venus##imported-end##

“ Bob was a very special man. He will be missed by all who knew him. I am sure God needed another Angel to add to his collection, but his memory will live on in us all. My deepest sympathy to his family and friends during this time of loss. Always in our heart. Jackie Wright and the staff of Wright Management##imported-begin##JACKIE WRIGHT##imported-end##

“ Bob will be deeply missed by myself , Buddy , Dolly and Dakota. He was the kind of man that would give you the shirt off his back so someone else wouldn,t go without. He was a pleasure to be around, he liked to joke around and just talk. I used to spend alot of time talking to Bob and he had some of the best and funniest stories. I will always have a void now that I can't call him or go by the pool and see him in his OFFICE..LOL My thoughts and prayers go to his family Steve Hilling##imported-begin##steve hilling##imported-end##
