“ *Booby and I played on the same T-ball team that his dad Bob coached. We were the Dodgers the first year and then we were Bob's Music Shop. His father and mine went to school together. I was a couple of grades ahead of Bobby , but I remember he was always ready to play baseball with a big smile on his face. The last year I played we came in 2nd place and we used to play at the National Guard Armory in Bennettsville by the golf course.*

“ Michelle,
Please know lots of friends in Bennettsville are holding you close to their thoughts and especially prayers during this very difficult time. As I type this, I am looking at the clock(2:30 pm),and I am praying without ceasing for the Dunsford family. I thought Bobby was the cutest kid ever. I remember when he came through the Intermediate School. He was all boy with a big grin. I also remember a cute freckled faced girl. Take comfort in knowing others care! Much love to you and yours, Fran Lewis

“ To Shirley and family, I want to express my sympathy to all of you. Although I have only talked to Shirley a few times I was shocked to see this in the paper and know that all of you will need many prayers. Michelle, I heard what you do for Autism through your Mother in law and just knowing that, you are a special person. I am a grandmother of an autistic child. If there is anything we can do for you please let us know. Our prayers and thoughts are with you.

“ Although I did not work directly with Bobby, I knew him. I had the pleasure of meeting his wife Michelle, his daughters and his Mother a couple weeks ago in Charleston. I know this is a difficult time now but remember, God will wipe all tears away. My prayers are with you all and may God bless and keep you.

“ *The Construction group at Time Warner Cable is a close group ready to help each other out. Bobby was no exception. If things got too serious though, you could count on Bobby to lighten things up. He also had a way of looking at things differently that would sometimes be a blessing. I'm thankful that Bobby had settled his eternity with the Lord. I know he wouldn't trade his new home for "the lottery" as he was always joking about winning. In the last couple of e-mails from Michelle, we could tell that she has a genuine faith in God which will sustain her and the family through this sad and difficult time. May the Lord give you all time to heal from Bobby's sudden passing and fill the emptiness that only He can fill. You are in our thoughts and prayers.*

“ *Dear Bobby:
Although I never met you, I feel I knew you, through your soulmate, Michelle. I know Michelle well enough to know she never would have devoted her life to the work she does, if she didn't have your loving support. You helped build a faithfully strong family dedicated to love and devotion, and it is these things that will keep you in their hearts, and keep them strong. I'm glad you have finally found the peace you deserve, and ask you to watch over your family from above, until can all be reunited again at the Lord's side.
