“ We were very sorry to hear of Bobby's passing. He was quite an unforgettable character. We have many wonderful memories over the years of laughing hysterically at Bobby, and having so much fun with him, Janet, and family. We truly enjoyed Bobby's storytelling, jokes, singing, and dancing. He was always the center of attention, and very entertaining. Bobby was dearly loved and will truly be missed, but we will feel his presence when spending time with Greg, as he possesses many of his dad's great qualities.
