“ Rob,
I am so sorry for your loss. I feel a loss too. I have such good memories of your dad and family. I remember in particular playing table tennis with him. Remember when the three of us would play and run around the table? That was such fun, the hollering and screaming. Your mom telling us to quiet down when we got too loud. He was always so good to make me feel part of the family when there. I remember him playing softball sometimes, as well as teatherball, jarts and of course who could forget the fireworks on the fourth of July. Thank you for being my friend Rob. I am thankful for your mom, Linda and right now especially your dad. You are all forever part of who I am today. Please pass my sympathies and best on to your mom and sister. I do think of you all periodically over the many years now. Know you are in my thoughts and prayers during this time.
Much love,
Tim Hoeweler
