“ Dear Myrtle, Gloria, Debbie, Luke and family, I am so sorry for the loss of your husband and father and our family's long time friend. You all are in my thoughts and prayers. I wanted to be with you all during your sad time but didn't feel that I had any strength to offer you at this time. I would probably have made it worse reliving my loss of last week which was so much like Robert's. It is hard but God will help us all to survive although it seems impossible at this time. I love you all. You all are special to our family and thank you for everything you did while Jr was sick and during our recent loss of him. We send our greatest condolences. God bless you all. Much love, Bonnie Hucks and Family##imported-begin##Bonnie J. Hucks##imported-end##
