“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##

“ Kelly and Fred, We are so sorry to hear of your loss. Your father seemed to really enjoy his years in South Carolina. It's a shame they couldn't have lasted longer. I know you'll miss his companionship. I enjoyed dancing with him at your wedding. He was a real interesting character! I'm glad that his service to our nation will be remembered at Arlington. Steve and I send our best.##imported-begin##Sue Fedor##imported-end##
