“ *My memories of Uncle Bob? Watching him ride his car at Islip Speedway, Taking us for a ride on his tow truck late at night and letting us get cake and milk at the all night diner. Mad magazines and bottles of orange Crush that he brought home from the station. Reading the newspaper and making up endings to the stories. Uncle Bob was FUN! I love you Uncle Bob. I'm going to open up a glass bottle of orange Crush and watch Mr. Roberts in your honor!##imported-begin##Laura Murray##imported-end##*

“ *My memories; When I was a boy Bob let me ride with him when he drove the truck into NYC Bob spent many hours telling me stories and teaching me about mechanics, commons sense and life lessons. My sisters and I loved Bob, he was a huge and great part of our early life.##imported-begin##Michael Murray##imported-end##*

“ I, along with my siblings, spent a lot of time in Long Island during the summer so our Dad could go to work. Unle Bob was an awesome uncle who always made us feel special, although he loved to play practical jokes on us and would laugh hysterically (and we did, too). I remember one hot summer evening when he woke us up to drive in the back of his pickup truck to go get ice cream. He always made us feel welcomed and loved and although I haven't seen him in many years, I will dealy miss him. He will always hold a very special place in my heart. To all who loved Uncle Bob...I offer my condolences.##imported-begin##Donna Sbordone##imported-end##

“ Dear Paulette and family: I too feel at a loss. I met Bob through church and through his work on Habitat for Humanity Homes in the area. He volunteered to drive hurricane buckets of relief to the Mississippi coast after Hurricane Katrina for our church. He was always asking what he could do to help others. We will all miss him at First United Methodist Church in Conway.##imported-begin##Bo Ives##imported-end##

“ Dear Paulette and Children: Our deepest sympathy in the loss of your loving husband and father. Robert and Cookie shared February 7th as their kindred birthdays and laughed often about how much their personalities were alike. Robert was such a teddy bear and a sweet soul. He will be missed dearly. Please know that we are just a phone call away, and that you are in our thoughts and prayers at this difficult time.
