“ Mr. Graham had to be and will always be my favorite resident. He taught me a lot about compassion when a person allows you in their life and begins to trust you that's a genuine person. Him and CeeCee are a pair I won't forget. Sharon thank you for sharing your dad with me his time at the lakes was great I'm just sad I didn't get to see him once he moved. My condolences to your family ❤️

See - he loved you dearly! You, my dear, had the compassion. You put up with him when he was at his worst and understood that wasn't really him. Thank you Dee for being you!
