“ *Dear Bob: I never had the honor of meeting your Dad. I wish I had. I would have thanked him for his service to our country. I am sure he also would have told me a vast number of great racing stories from the vintage days of SCCA. I would have also heard of the great memories you and he shared as father and son. How lucky you are to have thotimes to reflect on. On many occassions you have shared the stories about your times together, especially in your youth. Parting is never easy, especially since he was a great Dad. Our prayers for your comfort at this time of saddness. Please let me know if I can help in any way. “ Out of unfortunate circumstance, my Great Uncle Bob and I never got the opportunity to meet in person but I still hold a tremendous amount of respect and admiration for him both as a man and, being a fellow veteran , as one of my personal heroes. In the all too few instances we had spoken, Uncle Bob had not only impressed me as a man of great strength , pride, and courage. but a wonderfully caring person who took the time out over the last several years to be a part of my life. For this, I shall forever be grateful. I offer my sincere condolences to his son for his loss. May your father rest in peace.##imported-begin##Jim Davis##imported-end##
