“ *To the Handley family,
So sorry to hear about Bobby. He was a friend from DC at Gino's End Zone where I worked for a short time in the late 60's. He was a gentleman and enjoyed being single while he was struggling to cope with the break up of his marriage back then. I am glad he had a second chance at happiness and as a husband/father. We had lost touch as we went our own ways in life-sorry for the family and their loss of a Dad, brother and husband. Sincerely,
MayBeth*
