“ My dog "Honey" & me have been visiting Bob for a couple of years at Agapa Home. He was such a delight to go by & see. Rock Grice called me & told me about Bob's death. My heart is saddened that he is gone. We will surely miss him, especially when we go out to the home to visit those folks from First Baptist that live there. We went to see Bob a couple of weeks ago. Since then I have been with my Mother in the upstate while she had major surgery & this was a shock to me. My thoughts & prayers are with all of you. “ Bobby was one of the sweetest souls you could ever meet. Beneath his soft-spoken manner hid a mischievous sense of humor! He spoke often of his church family and how much he enjoyed attending service. Bobby and I worked together at the YWCA, as well, and he made it such a pleasant place to be. He was truly dedicated and dependable! I know he is no longer in pain and is soaring on wings! He will be remembered fondly by all!##imported-begin##Triina M. Dickerson##imported-end##

“ Bobby and I worked together at the YWCA for 10 years. He was a special person who really cared about the members and the people who worked with him. He was always willing to help out when someone could not show up to open the building for the members. I talked to Bobby a few weeks ago when he called to see if I was ok. I don't believe Bobby ever forget someone he came into contact with. He will be sorely missed but his spirit will remain with those who knew him. My thoughts and prayers are with all of you- his family and friends. I believe that Bobby is no longer in pain and walking all over heaven looking for a crossword puzzle that he has not already done. God bless you and give you peace.##imported-begin##Terry Linder##imported-end##
