“ Great friend growing up together after just learning to drive. His blue convertible GTX is a car that I will never forget. Our runs to Portchester NY and his sister Marianne are wonderful memories. Rest in Peace Bobby.

“ Robert will be greatly missed. He was one of mine and my wife's closest friends. we shared many memories together, one that comes to mind is We went Surf fishing one day just Hanging out and talking after about 2 hours I asked Robert have you gotten a bite. He said no , So we rilled them in and we had a fish on the hook. Clearly neither of us knew how to fish . I'm going to miss my good friend.
