“ Linda I am very sorry for your loss and I was in shock when I learned of this on Sunday after church and that is the memory I would like to share is Jay and Church . I know Jay was not perfect as a Christian but had a heart of love and servanthood . He was an anointed bassist and loved music and helping lead worship in church when we all were together as family . Jay was always there for my mom to help keep her updated on you both and I know they didn't always agree on all things but who does ? But Jay stayed connected with my mom and uncle both in heaven welcoming Jay in with all our family there now I'm sure . Jay would want you to trust in Jesus and keep pressing in while knowing that Jay and his legacy live on in and through you always and his love for you never ends but goes on beyond transition from our world to heaven. He will greet you when your day arrives but until then occupy and carry on the mission y'all were given by God ... You had a beautiful marriage from what I remember and I thank God for the years on earth y'all were allowed together . You're in my prayers ... Trust Jesus , let the children be with and help you over the remainder of your years on earth , though I am sure they will . Love you . Evangelist , Terry and Melinda .
