“ Kathy, I was cleaning up some old email this morning and found one from long ago that you and I exchanged. The email no longer works nor does the phone number I have for you. In searching for more information on line I came upon Bob's obituary. I am so sad for you. You fill my thoughts and I send you lots of love. It is a most terrible time for you. Would love to write to you or talk to you. Please be in touch, my email is dhk398dk@aol.com

I miss you, my friend.

“ I would like to express my sympathy to you, Kathleen and family. Bob was a wonderful man. My late husband, Charlie had great admiration for him. I am sure you have many wonderful memories to keep him alive in your hearts. I will never forget his deep concern for Charlie when he was sick. May you find comfort in knowing that he made a positive impact on the lives of those who he came in touch with during his life.

Fondly,
Lorraine Keryc
