December 01, 2006 at 12:00 AM

“ *Our heartfelt condolences to Helen and the family. We have wonderfully fond memories of our friendship, and will miss Bob's humor and humanity. Bob was a key contributor to GE and KAPL's success. But equally important was his influence on the careers of the many he mentored. We were blessed to have had Bob on the team.* *Mike and Donna Erdman* ”
