“ *Sorry to hear about Bob and my condolences to his family. Spent many hours working with Bob on corporate videos while working with the Dupont Company. He was a great guy and I'm sure he will be missed by many.*

“ *God bless Marilyn and the LeComte family. Bob was such a great Myrtle Beach supporter as he ran the best golf tournaments with heart and soul. He appeared on TV with me several times and assured the community he would make sure they were the best tournaments the area had ever seen. And they were. Thank you Bob for your time and talents.*

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ Bob hired me and my LHWH team to do media relations for the WorldAm and, together, we generated an incredible amount of publicity in the early 1990s — way before the internet could help to spread news. He loved that event and he was the "go to" guy to provide a great interview with just the right amount of detail and enthusiasm. Years after, whenever we ran into each other (usually at some golf event), we'd hug and recall those times. I'll always remember Bob as a kind and generous man who loved golf, Myrtle Beach and the WorldAm as much or more than anyone associated with them. God Bless you Marilyn and the entire LeComte family.
