“ To the Liskom Family. We were a couple of the "lucky Elks" who got to know Bob and Norma. We have a motto at the Elks that members are "Never forgotten, Never forsaken" and this is very true of Bob and Norma. Jinx and Jerry Woo, Murrells Inlet Elks

“ To the family of Bob and Norma Liskom. We had the privilege of being a part of the "Good Times" with Bob and Norma over a period of 13 years attending the USS Latimer 152 reunions. You always wanted to be seated near Bob on the bus tours. His laughter and cheer would start at the front and would roll to the rear of the bus. Soon the laughter would roll right back to him! He had a way of keeping yhe crowd awake.
Bob and Norma you will be greatly missed. God bless and love.

“ We knew Bob and Norma as friends and neighbors here at Island Green in Myrtle Beach, and served with them on the Island Green General Council. Delightful people to know. Also met them occasionally at the Elks Lodge, where Norma was President of the Ladies Group, and Bob helped so much. For the past year, we often saw Bob at 4 PM Mass at St. Michael's Church. He always sat in the same location, and greeted everyone with a warm smile or handshake. We missed him lately, and now know why. We'll remember him--and Norma--fondly whenever passing that favorite pew at Mass. It was great knowing them, and I can only wish that people might remember us when we are gone with the same respect, joy, and fondness as folks remember Bob & Norma. Love from Helene & Bob Becher, Island Green C.C.

“ Bob and I are Latimer shipmates. I have been attending ship reunions for for around ten years now and Bob longer. My wife and I hosted the 2011 reunion last October in Charleston, WV, where we last visited with Bob. We've shared many stories over the years and enjoyed many reunions. If you were in the same room with Bob you knew it and I liked that. We will miss him and Norma.

“ Dear Jerry and Debbie and Family - Your dad and mom were such a big part of my childhood growing up - from swimming in their pool to taking care of their pets ... I just feel like a little part of my childhood has been lost. Please know that we are all thinking of you and wishing you all our love and God's blessings during this difficult time.
