“ Our deepest sympathy to Robert's daughter and all of the family! We enjoyed visiting with him when we delivered meals the past few years. He was such a polite, kind gentleman and we will miss him. May God grant his family peaceful days and may Robert rest in Eternal Peace!

“ I remember when I went to Woodlawn Park School, most of the students were afraid of Mr. Long. After getting to know him as an adult, I learned what a nice man he really was, and enjoyed talking to him when I had the opportunity. He was a truly nice person, and he had a very strong faith. Glad he's in heaven, and no longer suffering. God bless you, Mr. Long!

“ Bob was a very good host ,welcoming the Lake Wateree group into his home most anytime.
He always shared a smile, conversations, flowers and plants and of coarse good food. (He would share his quarters on occasions). This gentleman will be missed by many. If you were lucky enough to be called a friend, you could assure yourself you had one.

“ I have many great memories from being in Mr. Longs' Industrial Arts class at the Myrtle Beach Jr. High. I looked forward every school day to his class -- it was so much fun to create things in the shop. He also set a fine example for us boys, with his character and demeanor.
One year, we traded students with the Home Economics class, Mr. Price taught us how to sew on buttons, etc! And the girls created little projects in the shop with Mr. Long! That was really progressive teaching back in those days.
I am so sorry for your loss, and he will not be forgotten.

“ Bob was much more than my assistant principal. Through the years we worked together, he showed me the kindness, concern, and support of a friend. We enjoyed many enjoyable times along with other Woodland Park faculty. His will be a presence in my memories forever.
