“ It is with deep sorrow that we mourn the passing of our dear friend and fellow teacher Robert L. Stevenson. Bob was one of those individuals that you could always count on to be there when you needed him the most. The teachers of Windsor High looked forward to our annual outings at the shore in Saybrook. Bob's clam chowder was one of the special events that we all looked forward to. He always made sure that I took home a bowl of the chowder for my wife Sandy. His excellent spirit and positive attitude helped make these annual events very special to all that attended. He will be missed by all who knew him. Our deepest sympathy to all of his family.
