“ No one in the family would know me , but I remember Mac. Worked with him for years, at Southern Bell and Bellsouth. Mac was someone that when you met him, you would never forget him. At the time I was in the toll department and Mac was in cable repair. When we had cable troubles, I had the pleasure of working with Mac till the trouble was cleared. He was always happy and inspiring. My thoughts and prayers are with the family. There is no way that Mac will not be missed. Look forward to seeing him again some day.

“ Dear Ola,  
Silvio, Trudy, and I are saddened to learn about the passing of our sweet cousin.  
(He will always be R.P. to us.) Even when we were young, he was such a lovely person --always kind-hearted and thoughtful. He became even more gracious with age.  
God's peace to you, to Rex and Blanche, and to all your family.  
Love to all of you.

“ Ola and family John and I (golden egg ) are shocked at Macs passing. Our sympathy goes out to you. It was Mac who helped John get through his new knee surgery without both of your encouraging words he never would have had it done here. We will miss his kind happy smile at the egg.

“ We have truly lost a dear friend and neighbor. On days with good weather, we always saw Mr. Mac and Mrs. Ola go up by our house to eat at Golden Egg and then we would see Mr. Mac riding his bike up and down his street. In fact, guess I was the last one to see him alive as he rode his bike the morning he passed away. My favorite story of him was the time I had he, Ola and friends over for Mr. Mac's birthday and after he ate his burgers, he made one and stuck it in his pocket for later! He didn't tell me that night but told me later what he had done. We had many good laughs together and those are what I want to remember about our Mac.

Ola and family, we are saddened beyond words and know that we are here for you. Our thoughts and prayers are with you. Ted and Becky
