“ As a Sergeant in the D.C. Fire Department, you were detailed around the District of Columbia to firehouses as needed to fill in for officer vacancies Early in his career Bob was detailed as a Sergeant to Engine Company 11 and Truck Company 6 several times. These were very active/busy firefighting companies. I was the Truck Driver at Truck 6 and when Bob was detailed there, he was a pleasure to work with. He was a very good Firefighter and Officer. My Condolences to Bob's family. May he Rest in Peace. Bill Embrey Retired Sixth Battalion Fire Chief, DCFD.

To the Family of Robert Mogel so very sorry for your loss. Bob was a good man and gentleman. I can't ever remember working with him but I heard nothing but good about him. I know he looked forward to coming to our luncheons down here in Myrtle Beach. He would drive when he was able and then come with Louie Langdon sometime. After Louie passed we only seen Bob a time or two. He loved seeing the guys and listening to the stories and every once in a while a lie or two. It was a pleasure knowing him

I'm sure I speak for all of the Navy AROU family when I offer up my condolences to the family and friends of this great guy we came to love and honor so much. I personally have such good memories of the last AROU reunion we held in Myrtle Beach so we'd be close enough for Bob to participate in. We helped celebrate his 98th birthday around that huge table where we had such a wonderful seafood feast. RIP Bob.

To Bob Mogel's family, I just found this announcement and am so saddened by this news. Bob was a navy friend of my mother-in-law, Marydean (Purvis) Bruns. She always said she named my husband after him. Marydean passed away in 2008 and Bumpa sent cards to my son Josh who was only 8 when his Grandma passed. We exchanged cards but never actually met. My family will always remember Bob for his love & kindness to our family.
