

## Robert Moran Jr.

January 8, 1951 - December 23, 2018

Robert "Bob" Joseph Moran Jr., 67, passed away peacefully at home in Pawleys Island surrounded by his loved ones on Sunday, December 23rd. Bob had been battling cancer for many years and he is now resting easy and no longer suffering.

He is survived by his wife, Mary Rucker Miley Moran, his daughter, Harrison Moran, his brother, Archie McCall (Linda) and numerous cousins, nieces and nephews. He is also survived by his sweet puppy, Buddy.

Bob was born in Jersey City, NJ on January 8, 1951. He was the son of Robert and Marie (Birch) Moran who preceded him in death. Bob received his undergraduate degree in 1973 and his Juris Doctor in 1978 from the University of South Carolina in Columbia SC. He practiced law in Pawleys Island up until his death.

Bob had a passion for preserving the environment and improving the quality of his community. He loved his family and friends dearly, as well as local bands, local festivals, and coaching softball. He was a jack of all trades, could do anything and everything and had many hobbies such as fishing, golfing, traveling, kayaking, gardening, cooking, and hosting extravagant bonfires. He was smart as a whip, and had a unique, witty sense of humor. He was passionate, caring, loving, friendly, helpful, encouraging, strong, and a very

brave man.

Bob was known and loved by many in his local community and afar. He was a loving husband, father, and friend. He will be dearly missed and his legacy will live on in our hearts forever.

“Time spent with Bob was always time well spent.”

In lieu of flowers, memorials may be made to The Winyah Rivers Foundation, 301 Allied Dr. Conway, SC 29528. Or to The South Carolina Environmental Law Project, 430 Highmarket St. Georgetown, SC 29440.

A Celebration of Life will be held on Saturday, January 26, 2019 from 4-8 at the Kimbel Lodge in Hobcaw Barony.

“ After emailing Bob with a question since he was always so patient with me and my many questions, I just learned this sad news from Kimberly.

*Having lost my parents (who were my world) a year apart from each other the past 7 years, I have to hold on to faith that Bob, my parents, our loved ones who have passed are in Heaven; yet, it's still so sad to think of the goodness on earth we have lost and will miss.*

*To Bob's family and close friends, my heart is with you in prayer.*

“ My condolences to the Moran family. Bob was a great guy and fun to be around. He was always humming the tune and the words to "Don't Worry, Be Happy." (Bob Marley & Bobby McFerrin)

but when you worry you make it double.  
Don't worry, be happy."*

*God bless you my friend. May you rest in eternal peace.*

“ I knew Bob from working with him on the Crawfish Festival committee way back in the day. He had a quick wit and was a stellar guy. Feel lucky to have crossed paths with he and Mary a couple of years ago when I was in town, was great to see him so happy and in love. Bob was a tremendous asset to our community and left a legacy of environmental preservation that will impact generations to come.

“ *To the Family of Bob Moran,*

*I am very sorry to hear of your loss. My name is Rudell O'Neal and I am a former high school classmate of Bob's. Some years ago I heard thru Kathy Olesko of Bob's fight with cancer, and I called him. I know he was surprised to hear from me since we were really only acquaintances in high school (he and I were challengers for class president) and had since only spoken at class reunions. We had a pleasant conversation and I spoke to him of faith as the force that would help him deal with whatever was to come. At the time he didn't think it was going to help given his circumstance. As I said, that was some years ago. I'd like to think it did help give him a number of more precious years with family and friends. My prayers for all of you now are that you find peace in the memories you have of Bob and strength in your faith that he too is at peace now.*

*Rudell*

*(p.s. I love the 1st photo. My memories of him in H.S. are that he was so clean cut.)*

“ *My sincere condolences to Mary and her and Bob's families.....Bob was my anchor when my parents passed away, and he was a source of laughter, adventure and inspiration, before and after my move to Puerto Rico. For those who know about our 1am attempt to board a nuclear submarine in Charleston, you know what I mean. I got to know Bob as a strong advocate of the Neighborhood Legal Assistance program, he accomplished so much more for the community since....my next trip to Pawleys will not be the same. *Bob was truly a joy and a great friend of the rivers! It was a blessing to know him. I will deeply miss the impish smile I would get when I asked a question about the law as it applied to our work together on environmental issues. One of his many gifts was that wonderful sense of humor.*

*The rivers are higher with tears this week!*

*Bob, I trust there will be a day when we meet again on the other side of the river!*
