“ I recently ran into Charlie and Shirley, Shorty's dear friends. They told me he was very ill. I spoke with Shorty on the phone recently. I have fond memories of "the gang" hanging out together at Burro Loco (me, Shorty, Charlie, and Shirley). Shorty was the first person to educate me as to what a "ramp" was....he picked the garlic like edible plant when he went to West Virginia. Shorty will be missed by many people.....he had such a great sense of humor and he enjoyed life.##imported-begin##Patti Pacileo##imported-end##

“ I always considered Bobby as a little brother. I remember the first time I saw him and he instantly seemed to connect with me, not in a boyfrind/girlfrind way but a very dear and caring friend. I used to call him Bear because he reminded me of a loveable teaddy bear. I'll remember all of our rabble rousing days when we watched out for each other. He always had my back and I always had his. In my heart he will always be a part of me and my heart forever.##imported-begin##Linda K. Hodges##imported-end##
