“ Dad, I am going to miss you. You have always been quite a character. I will always remember the 4th of July celebrations and you cooking up a big pot of crabs and having the family around for Mom's birthday and how you like to take a serious tone when you were pulling my leg and watching me for a reaction. Thank you for your sence of humor. I'm very happy you are going to be with Rick now. I know how much you have missed him. Please give him a big hug and kiss for me too. I will miss you. Love you Dad! See you on the on the other side.##imported-begin##Misty Phillips Turner##imported-end##

“ I am so sorry to hear of Bob's passing. When I think of Bob I think of him being so amazed by me eating 12 ears of corn on the cob at Colonial Beach as a kid and him saying "hey kid" while I worked at the school board in high school. I am praying for your family and I hope your memories help you through this difficult time.##imported-begin##Anita McGill##imported-end##
