“ Dearest Ginny, James and Vinny, We will all miss your son and brother Rob, He truly defined the meaning of "friend"! He was always there for others and put smiles on everyones face he encountered. We worked together at Plant for five years. He made everyday an adventure, and made work fun. He taught me so much and brought joy to life. He had the gift of bringing so much love to others. May God bless you all and shower you with His tender mercies in this sad time.

“ I was shocked to hear of the passing of Rob, I still am. Every morning our paths crossed in the back hall of WCH as we each started our day. All week I have been looking down the empty, somber hall...waiting to see him. It is already not the same without him.

I will miss his smile, and his generous spirit. Just last week, he was in our department fixing the things we could not. We were giving him a hard time about his accent, to which he said he had lost. He then began to talk with a huge NY accent, and we laughed even harder, he just smiled. He will be greatly missed. My sympathies to his family (his mother, and brothers and their families), and to the guys of Plant Services. Rob, may you rest in peace.
