

Robert Lee Rabon

September 4, 1950 - November 13, 2020

Aynor...

Robert Lee Rabon, age 70, went to be with his Lord and Savior on Friday, November 13, 2020.

Born September 4, 1950 in Conway, he was the son of the late Empie Bart and Mandie Gasque Rabon. Robert was a life-long resident of Horry County and a graduate of Aynor High School and attended Coastal Carolina University, which he later served as a member of the Board of Trustees from 1998 to 2009. He also served on the Horry County Higher Education Commission from 1986 to 1998. As campaign chairman of the Penny Local Option Sales Tax benefiting building projects for Horry County Schools, Horry-Georgetown Technical College and CCU, Robert has significantly advanced the cause of education in the county over the past decade.

Robert became a licensed insurance broker and a real estate broker in 1976. He established Rabon's Housing Center in 1979, the same year he began serving on the Horry County Council. Robert has dedicated many years of his life to the Horry County Republican Party, serving as county chairman of the party from 2005 to 2011 and again from 2013 to 2017. As chairman, he helped organize the county's first presidential debate in 2008, an event that brought notable recognition to the area. He has owned Associated Realty

since 2006.

Robert has also served in the Aynor Lions Club, Conway Rotary Club, S.C. Manufactured Housing Board, Highway 31 Task Force, Myrtle Beach Regional Economic Development Corporation, United Carolina Bank Board, and the Grand Strand Water and Sewer Authority Board of Directors.

Robert was a self-made man. He was born the son of a sharecropper, and he worked tirelessly to make a difference in this world. He was a community servant. He loved God, his family, and his country. He wanted to make this world a better place for his family and community. He served as a Sunday School teacher for many, many years. He loved spending time with his family on vacations and always made time for people and his friends.

His favorite phrase was "Call the World and Tell Them I'm Coming"

Robert was a member of Conway Church of God. He was a loving father and Poppy, who will be missed dearly.

Along with his parents, Robert was predeceased by a brother, Jack Rabon and four sisters, Nina Lee Dew, Melva Dean Gore, Letha Ard, and Wilma Lee Chestnut.

Surviving are his four children, Amanda Rabon, Sherrie Brown (Joe), Robin Niederwerfer (Jon), and Seth Rabon; nine grandchildren, Alayna Mincey, Gabe Brown, Mallorie Brown, McCallie Brown, Emma Niederwerfer, Ben Niederwerfer, Paylen Rabon, Chloe Rabon, and Dawson Rabon; three sisters, Vila Ree Stevens (Wade), Marie Dew, and Wanda Rabon; and many loving nieces and nephews.

“ Robert Rabon was a dear friend and mentor, an astute counselor, a wise confidant, who understood politics in Horry County and South Carolina inside and out. He loved his family and his church. He wanted every child to fulfill his/her potential, be the best each could be. His eyes would light up whenever he spoke of his children or grandchildren.

Clark first met Robert in 1972 after Clark's graduation from Aynor HS. Robert was at Coastal before we got there and already a power house on campus! Everyone wanted to be Robert's friend. He expected the best of each of us. Robert & Clark worked closely together on the Horry County Higher Education Commission and the CCU Board of Trustees. Robert was so proud his honorary degree from Coastal Carolina! He helped Clark with his campaigns in 2010 and 2020. Robert knew everyone!

We will miss Robert's droll sense of humor, his puns and his understanding of both sides of any situation. His Homegoing will leave a huge hole in our lives.

“ My heart goes out to the family of Mr Rabon. He was truly a kind man. I had the honor of caring for him while he was in the hospital and we had a chance to sit and chat for a little while. He told me how much he loved his children and grandchildren. He said his most cherished gift on this earth was his family. He was so happy to get homemade food sent to him by his daughters because "no offense, but hospital food was just too bland and tasteless. " He had lasagna that evening and ate all but one or two bites.

The family will be in my prayers to help you through this heartbreaking time. You guys were loved so much by him that his cup truly did run over. May Gob bless you all and May he keep his loving arms around all of you tight through this most difficult time.

Sincerely,
Debbie Roberts

“ To, Robert's children and grands, I am so very sorry for your loss. I have know your Dad, since we were children. And I considered him a friend.

He came up, like me a sharecroppers child and he made something of himself, and he left you all a legacy, to follow.

I saw him not to long ago at Wal-Mart and we had a good little conversation.

He looked pale and a little peak-ed.

Again, I want you to know, how so very sorry I am for you all and all, including myself, who considered him a friend.

“ *Carla and I were saddened on the loss of Rob. Rob and I worked closely together as the Advisory Board for Myrtle Beach Economic Development Corp. He was simply amazing in his community knowledge and ability to help us create new jobs. Likewise in my past job as business dean at Coastal Carolina University, Rob as a Trustee led the effort to successfully get the sales tax covering building expansion at CCU which is a monument to his dedication to the university and higher education for Horry County citizens. His work as head of the Republican Party had no peer. He was a good friend to all and contributions to this community long lasting in the future. We will miss him dearly.*
