Wow, I just came across this as I was looking up old friends, classmates and people I grew up with in general. I was in Jr High and High School with the twins and they knew my father who has also passed away very well. I remember Lenny too. Not sure if any of them remember me but my last name was Chercourt, my father was Jerry, he had a lot to do with all the sports stuff in Streetsboro. So sorry to hear about this loss. My condolences to the family.
