Schmick Family, A beautiful tribute to a truly great guy. We had a lot of laughs back in the 50's & 60's. He will always be remembered.

“ *I'm sad to see that Bob is gone. He was one of the good guys at Lancaster high School. I frequently drove him home after his Continuing Ed classes and he always made a comment about how clean my car was. He always spoke so well about his wife and daughter. A really nice guy.*

“ I am sorry for your loss. I was around your family a lot as a child and have the fondest memories of all of you. I was even able to visit Bob in SC not too long after Lois passed. We had a great visit and I cherish the memory. He was a great man and will be missed.

“ My sympathy goes to the family members.
I was a classmate of Bob's and I have to say---It was a priviledge to have been able to call him a friend.

“ Our deepest sympathies and prayers go out to Bob's daughter, Wendy, and her family and to Bob's brothers George and Ron.

I grew up with Bob and was one of his classmates throughout those Salamanca, NY school days. I always considered him as one of the real "good guys" in life. Despite his physical handicaps, Bob accomplished so very much in life and was loved by so many who crossed paths with him along the way.

We will all truly miss him, yet we know he left the world a better place for having been here. I consider myself very blessed to have shared as many great moments with Bob and his family as I did - though it never was enough!

Our loss is God's gain! May the good Lord bring some peace and comfort to the family and to Bob's many friends.

“ Mr. Schmick was my typing teacher for two years at Lancaster High School, then retired across the street for my family in Myrtle Beach. He was a wonderful man who cared deeply for his students and believed in them. He was caring neighbor and human being. The world will be suffer a void without him in it. RIP and prayers to his family.
